Art Connect, as the name suggests, celebrates the magic and excitement of age-appropriate art and craft activities. It is a series of eight art and activity books for classes Nursery to 5, which, comes in as an aid for both categories of children, i.e. for those who are naturally talented, to improvise and refine their skills and for those who are willing to acquire this skill, to teach them the basics of drawing and craft. Each book also has a few gardening and life-skill activities to inculcate a love for nature and develop life skills in children.
