QUALITY BOOKS FOR QUALITY EDUCATION

### **About the Publisher**

We are a leading educational publishing house dedicated to creating innovative and student-friendly learning materials. With a mission to inspire young minds, we specialize in developing high-quality textbooks and supplementary resources for schools. Our focus is on delivering content that combines knowledge with creativity, fostering curiosity, critical thinking, and a love for learning among students.

Our carefully curated series for Nursery, LKG, UKG and Classes 1-8 are designed to meet the latest academic standards while making learning an enjoyable experience. With a team of experienced educators, writers, and designers, we aim to provide materials that are not only informative but also engaging and accessible to learners of all levels.

### **Publisher's Note**

Dear Booksellers and Educators,

Thank you for your continued support and trust in our educational materials. Our range of books for Nursery, LKG, UKG and Classes 1-8 is crafted with the goal of nurturing young learners and empowering them with essential skills for their academic journey. Each book reflects our commitment to quality, innovation, and inclusivity.

To our esteemed booksellers, we value your partnership in bringing our resources to schools and students. Your efforts help us reach the hands and minds of learners across the country, contributing to their growth and success.

To students, we hope our books spark curiosity, inspire creativity, and make learning a delightful experience. Remember, every page turned is a step closer to discovering the wonders of knowledge and the world around you.

We remain committed to excellence in education and look forward to continuing this journey with you.

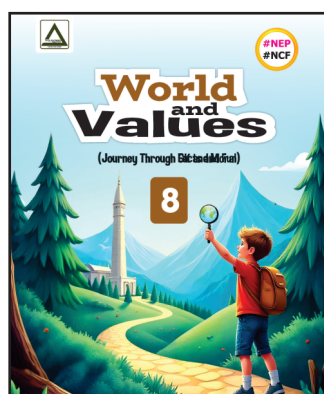

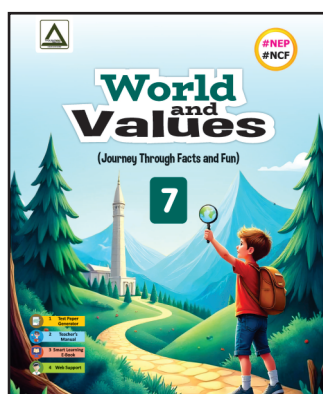

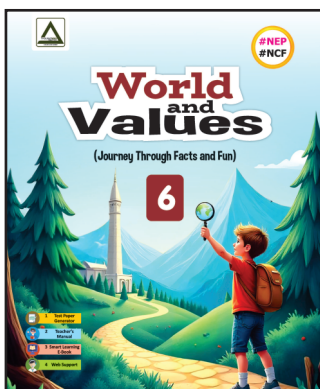

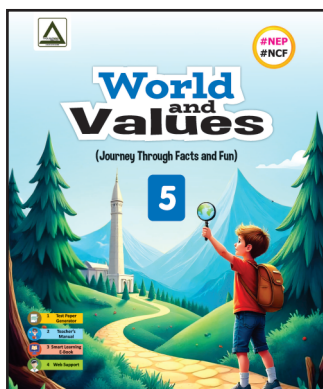

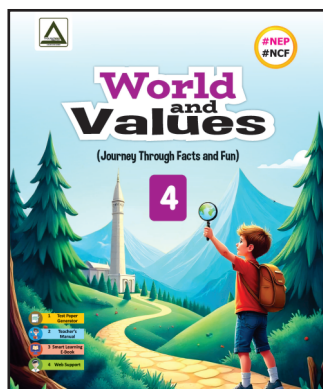

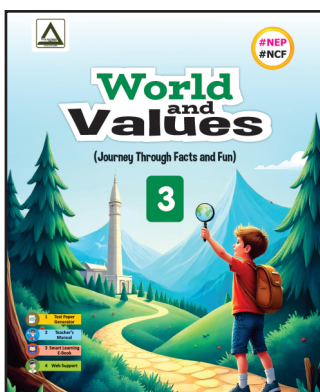

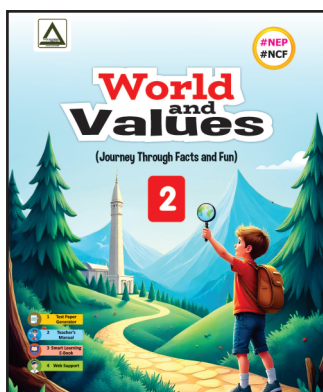

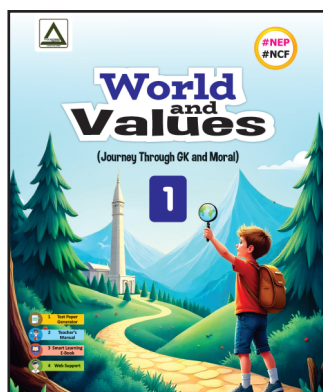

Warm regards,

Thoughttwins Press India

## GK and Moral Values

A complete package for  
the foundational stage.

This series has been carefully designed to nurture both the mind and heart, balancing awareness of the world with lessons in ethics and empathy.

### Key Features / USP

**Integrated Approach:** Combines General Knowledge and Moral Values in one series, encouraging both intellectual and emotional development.

**Thematic Learning:** Chapters are built around meaningful themes that link real-world knowledge with moral reflection.

### Current and Relevant Content:

Covers topics from science, environment, technology, heritage, sports and current affairs, alongside moral lessons that connect to daily life.

**Skill Development:** Promotes observation, reasoning and decision-making through engaging exercises, activities and thought-provoking questions.

**Character Building:** Inspires good behavior, kindness, teamwork, honesty, and respect through relatable stories and scenarios.

**Interactive and Engaging:** Includes fun facts, quizzes, puzzles and value-based discussions to make learning enjoyable.

**Aligned with NEP 2020:** Focuses on holistic education, experiential learning, and value-based understanding as envisioned in the National Education Policy.

**Art Connect**, as the name suggests, celebrates the magic and excitement of age-appropriate art and craft activities. It is a series of eight art and activity books for classes Nursery to 5, which, comes in as an aid for both categories of children, i.e. for those who are naturally talented, to improvise and refine their skills and for those who are willing to acquire this skill, to teach them the basics of drawing and craft. Each book also has a few gardening and life-skill activities to inculcate a love for nature and develop life skills in children.

These books have been constructed innovatively and it is strictly aligned with the **National Curriculum Framework 2023** and **National Education Policy 2020**. We believe that there is a hidden artist in every child. Talent has to be discovered and nurtured.
